Am Invitation to Women

All the world knows of the wonder-ful cures which have been made by Lydia E. Pinkham's Vegetable Com-pound, yet some women do not realize that all that is claimed for it is absotely true. If all suffering women could be made

to believe that Mrs. Pinkham can do all she says she can, their suffering would be at an end, for they would at once profit by her advice and be coured. T. H. Tilton, Plaintiff, There is no more puzzling thing than

sat vomen will suffer great pain onth after month when every woman knows of some woman whom Mrs. Pinkham has helped, as the letters from grateful women are constantly being published at their own request. The same derangements which make painful or irregular periods with full backaches and headaches, and dragging down sensations, presently develop into those serious inflamma-tions of the feminine organs which detely wreck health.

Mrs. Pinkham invites women to write freely and confidentially to her about their health and get the benefit of her great experience with the suf-ferings of women.
